Dear Mr. Mullard:

Thank you for taking the time out of your busy schedule to meet with Mike Nelson and Larry Garahana of my staff along with the Utah Division of Oil, Gas and Mining, at their offices on March 3, 2005, to discuss the modification to your plan of operations UTU-69380.

I hope your questions were answered and you received the information you needed to make the revisions necessary to the modification so that we can continue moving forward on said approval.

Once again, thank you for taking the time to meet with us, and if you have any questions, or require additional information, please contact Larry Garahana at (801) 977-4371.

Sincerely,
